

BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 1995-216-C - ORDER NO. 2005-203

APRIL 20, 2005

IN RE:   Application of LDD, Inc. for a Certificate of        ) ORDER CANCELLING  
          Public Convenience and Necessity to Resell        ) CERTIFICATE  
          Intrastate Telecommunications.                    )

      This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request to cancel the Certificate of Public Convenience and Necessity (“Certificate”) of LDD, Inc. (“LDD” or the “Company”) to provide resold intrastate telecommunications services in the State of South Carolina. A review of the docket file reveals that the Commission granted LDD authority to operate as a reseller of intrastate telecommunications services in the State of South Carolina by Order No. 95-1082, dated May 12, 1995.

      On August 6, 2003, LDD, through the Company’s President, notified the Commission that the Company does not offer services in South Carolina. Apparently, through an oversight of the Commission’s Staff, LDD’s notification was not processed at the time of filing, which is the reason for the late date in a decision being rendered on this matter.

      As LDD is no longer providing the services for which the Company’s Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that LDD’s Certificate of Public Convenience and Necessity to provide resold intrastate telecommunications services within the State of South Carolina should be cancelled.
